

## OHYO BAG INSTRUCTIONS

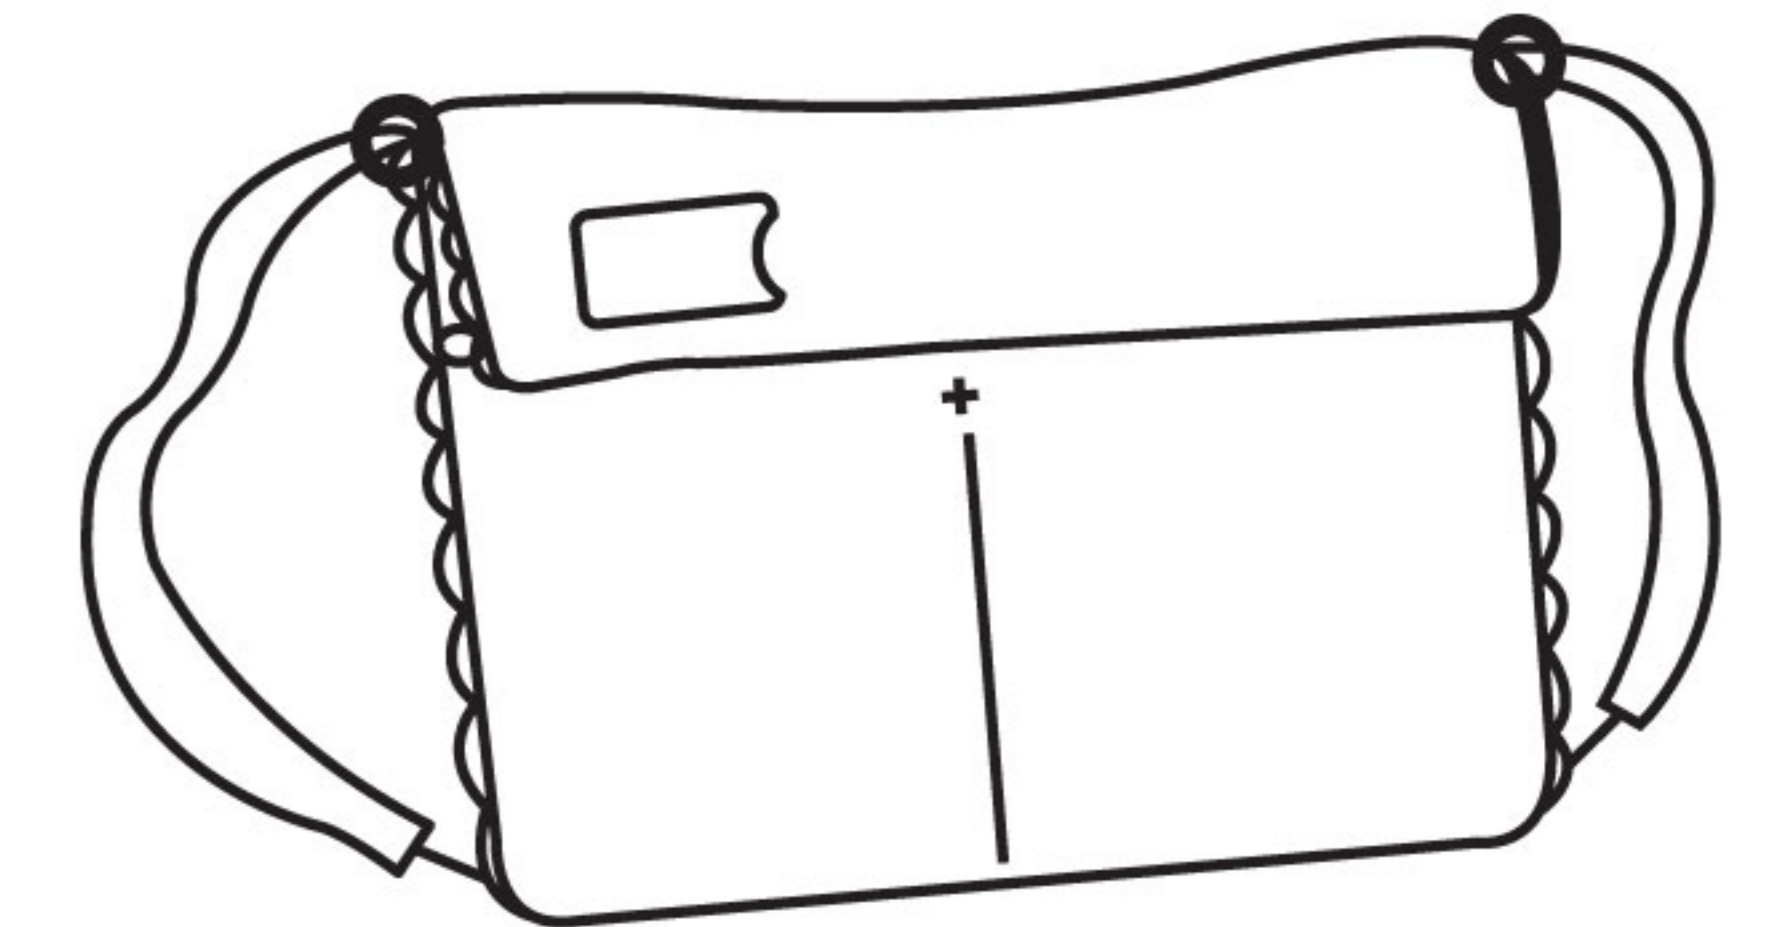

Clip straps direct to strip for grocery, backpack and messenger.  
Rings should only be load bearing in tablet mode.

Clip strap to **top** of strip. Fill with 24 liters of shopping!

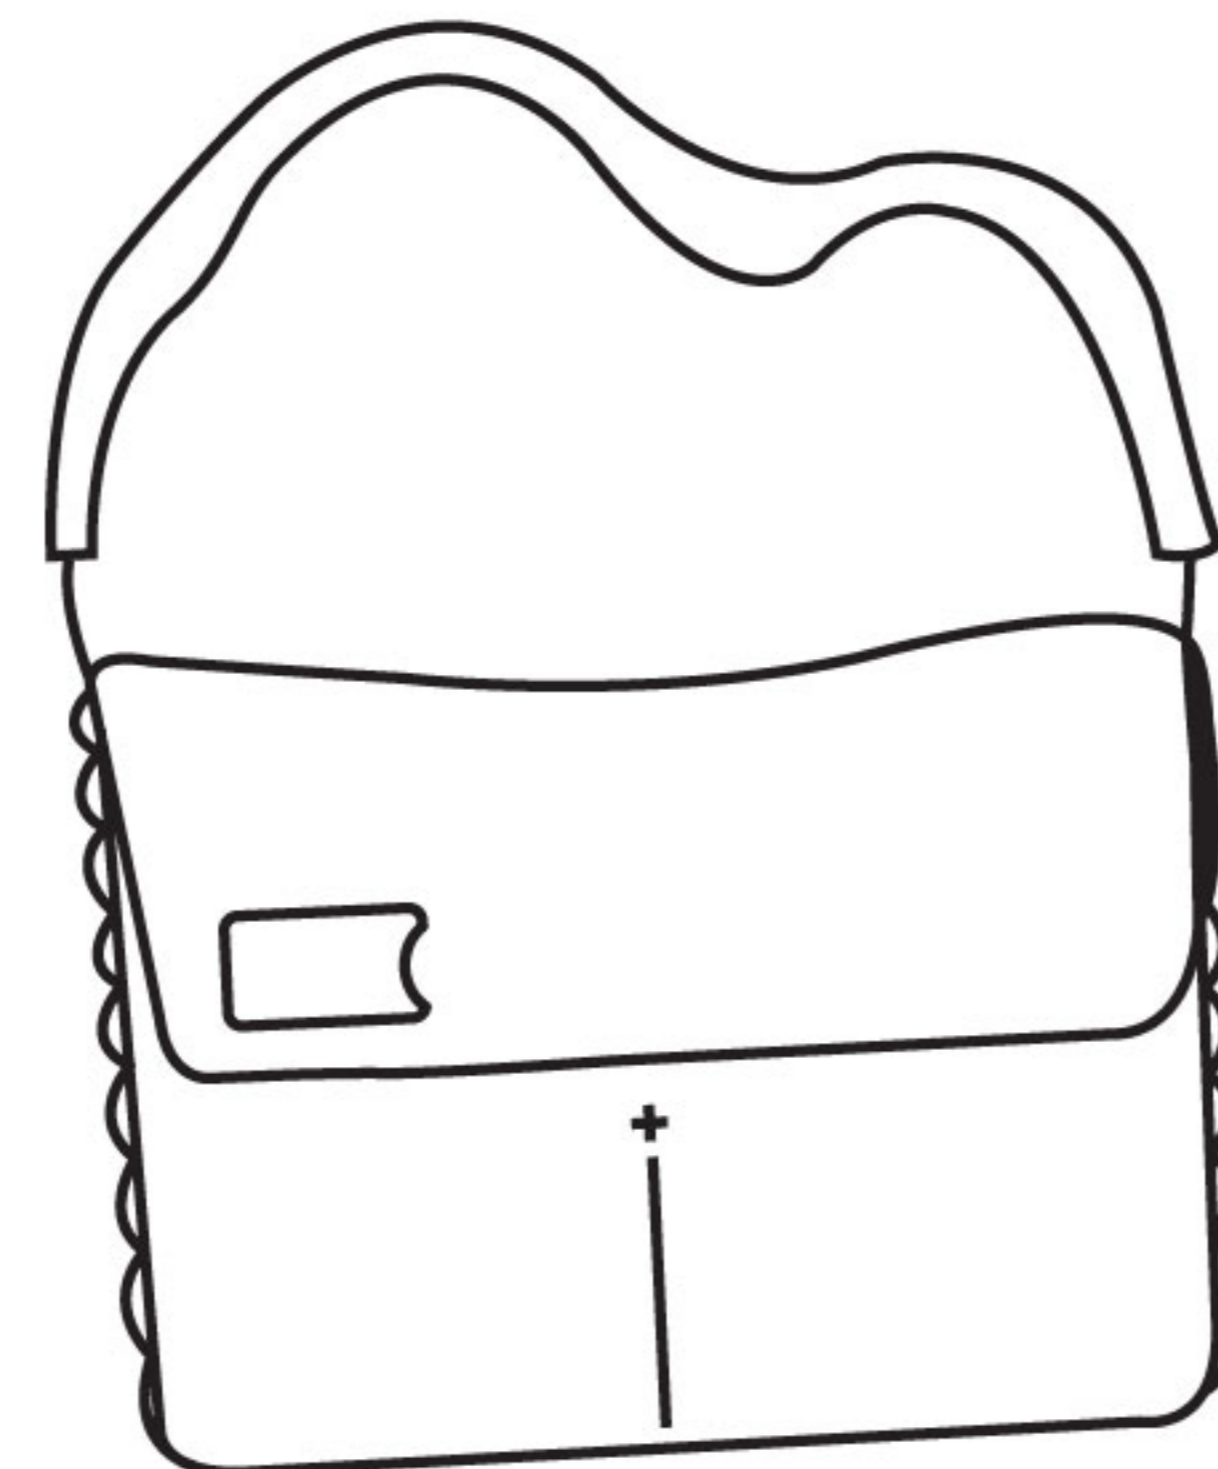

GROCERY

Clip strap to **bottom** of strip. Hook rings to top of strip for large backpack, or to middle for small. Extend strap and clip into loops. Fill bag and go hiking!

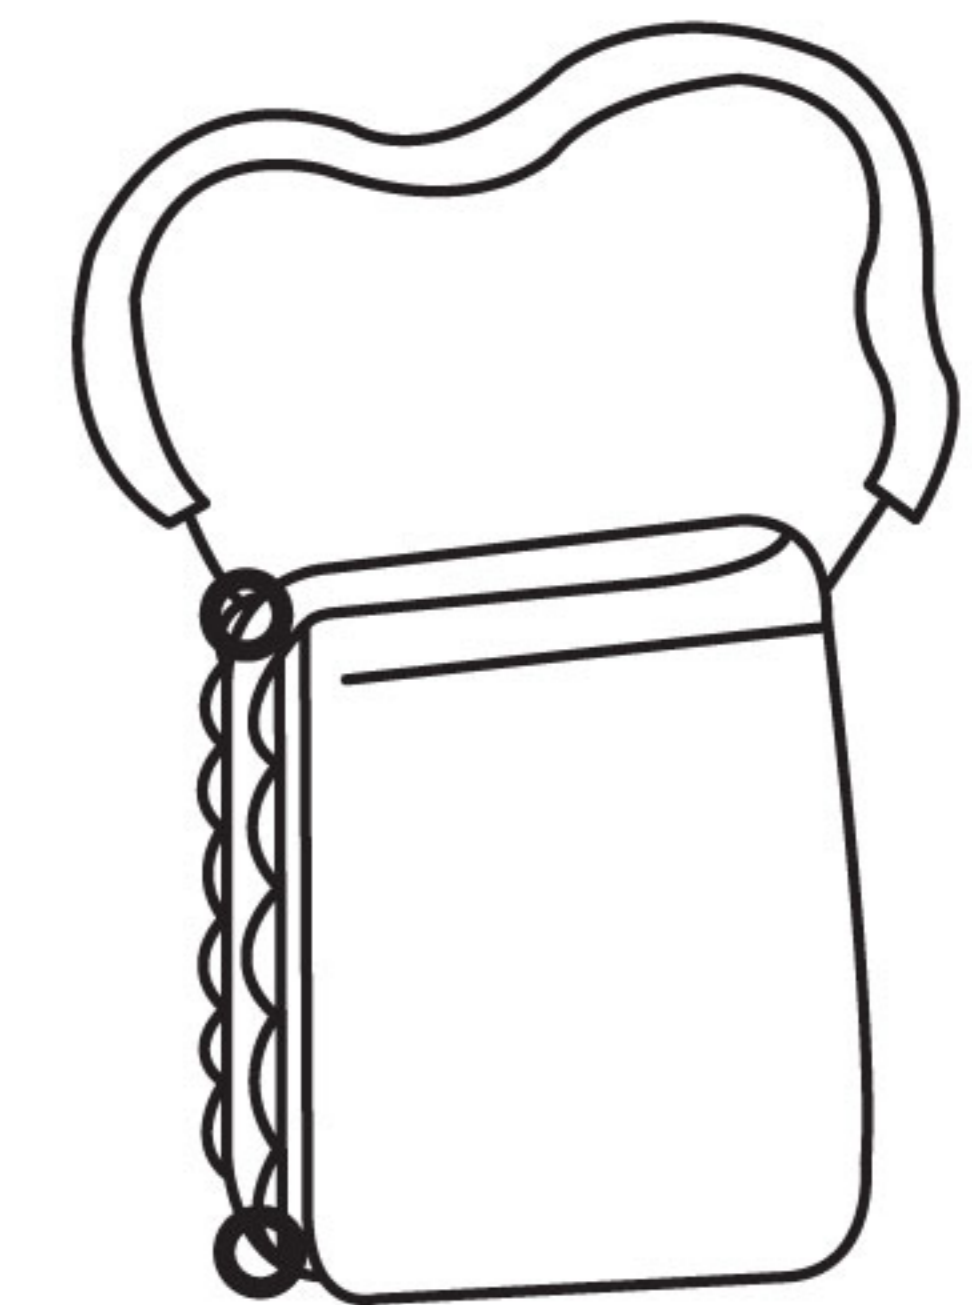

BACKPACK

Clip strap in upper half of strip (higher for a bigger bag). Secure bag with rings if you want.

MESSENGER

Remove strap and 2 rings. Fold bag into a quarter with pockets outermost. Use rings to clip strips together. Clip strap to rings. Practice, it's tricky at first!
